## 📇 SUMMARY

Strategic Executive with 10+ years of experience transitioning into **Machine Learning and AI**. Currently pursuing an **MSc in Computer Science (Woolf)** and specializing in AI Strategy at the **University of Oxford (Saïd Business School)**. I bridge the gap between technical execution and high-level business strategy.

As a **Research Analyst** , I am actively mastering **Python** and **SQL** , while developing foundational skills in **PyTorch and TensorFlow**. Leveraging a C-level background , I approach ML as a systems architect focused on driving measurable business value. Seeking an **ML Engineer** role to deliver high-impact results.

## 💼 EXPERIENCE

**Research Analyst**
Second Chance
01/04/2022 – 10/2025 | Kyiv, Ukraine
